

# Take Command

**You** need only pick up your telephone to control millions of dollars' worth of property—a thousand yards or a thousand miles of wire—five thousand or five million dollars' worth of equipment—a few or many of the Bell System's hundreds of thousands of trained workers.

What you get from your telephone depends on your wish of this or any moment.

Few things you buy can so exactly fit your needs. Telephone service is made to your order for each call—and the telephone becomes an extension of your voice and personality for whatever purpose you choose.

The Bell System, of which the Illinois Bell Telephone Company is a part, provides a constantly improving service at the least cost consistent with financial safety.

# Make Your Business Appointments

## BY LONG DISTANCE

A Long Distance telephone call paves the way for a personal business interview.

It establishes your identity in advance and enables you to arrange for a definite appointment, thus avoiding a long wait in an outer office or failure to see the person desired.

The practice of making Long Distance appointments at all times enables you while on business trips to utilize your time to the best possible advantage.

ILLINOIS BELL TELEPHONE CO.

# Because of This Spirit

THE biggest thing about your telephone is the spirit of the hundreds of thousands of people who make up the Bell System, of which the Illinois Bell Telephone Company is a part. No matter what their particular jobs may be, they are first of all telephone men and women.

The loyalty of these people to the ideals of their work is reflected in every phase of your telephone service. It shows in the increasing speed with which your local and Long Distance calls are completed. It shows in the greater accuracy with which they are handled. It shows in the wider and more convenient facilities which are placed at your command—extension telephones, intercommunicating systems for home and office, small and large switchboards, teletypewriters and many others.

Every time you telephone, you get the advantage of better and better service at the lowest possible cost.

ILLINOIS BELL TELEPHONE COMPANY

## It's worth the price — and more!

Most folks have a telephone; some have two, or more. If YOU haven't, think of what you miss.

In companionship . . . In comfort . . . In freedom from worry . . . In convenience . . . In social activity . . . In the hundreds of ways a telephone can serve you.

For the small sum a telephone costs, you cannot afford to deprive your home of one.

Any telephone employee will gladly take your order.
